 Part-time
 Contractor
 Intern

Hours 53 /week
Hours <39/week
 Exempt
 Nonexempt

General Description:

This is entry-level, technical protective service work in the field of fire suppression, prevention, and associated emergency services. This position will provide emergency response, basic/advanced life support, fire prevention, rescue, fire suppression, and a variety of other assigned duties associated with fire, rescue, and emergency medical services. Work involves risk and hazardous exposure. Work is initially performed under continuing supervision of the Fire Captain, or designee but as training, experience, and skill increase, supervision becomes more general. Essential functions of the job include, but not necessarily limited to the following:

- Primary duties are in support of the department's mission, which is the protection and preservation of life, environment, and property through firefighting and emergency medical care. Firefighters shall also respond as directed to other (potential) emergency incidents or disasters and shall also respond to training/exercises, and to perform general labor type work supportive of the department's mission. Firefighters that are not licensed EMT's will act to assist personnel who are licensed as EMT's during medical emergencies.
- Perform maintenance of fire apparatus and rescue vehicles. Firefighters will also maintain accurate record keeping, testing of fire hose, pumps, perform building maintenance, and maintain fire department grounds.
- Maintain a positive attitude towards training, and/or continue efforts at improving individual levels of proficiency under the direction and approval of the line of supervision.
- Will project a pleasant and courteous image at all times, and conduct themselves in such a manner as to reflect pride upon the department and City, even while off duty. (City of Lovington Municipal Code 2.44.050(f)).
- Must comply with all federal, state, city, and department rules, regulations and standard operating procedures in effect. (City of Lovington Municipal Code 2.44.050(f)).
- Shall submit to required medical screenings, testing, physical fitness, agility, and health

evaluations as required. (City of Lovington Municipal Code 2.44.050(f)).

- All department personnel are required to have a working telephone in their home with the number provided to the department. (City of Lovington Municipal Code 2.44.050(d)).
- Full time shift personnel assigned to Companies “A”, “B”, or “C” shall be from 0800 of one day to 0815 the following day, followed by an off duty period of forty-seven hours and forty-five minutes. Employees are subject to call back twenty-four hours a day. (City of Lovington Municipal Code 2.44.050(f,g,h)). Personnel are also subject to mandatory on-call status. Normal tours of duty for full-time personnel assigned to “D” Company are 0730 to 1730 Monday to Thursday and 0730 to 1130 on Friday. Part-time casual employees will be assigned and worked as designated by the current department head. Regardless of company assignment, work periods and overtime compensation polices and practices comply with the Federal Labor Standards Act (FLSA).
- Fire and EMS personnel are required to live within a ten (10) minute response time from the Lovington Fire Department and within the Lovington Fire District. If the individual does not meet this requirement on the date of employment, the individual will be given sixty (60) days to comply. The employee is required to have a physical address with all utilities and phone in operation. If the individual moves out of the Lovington Fire District during employment, they will be terminated.
- Perform all other duties as assigned. (City of Lovington Municipal Code 2.44.050(e,f) and 2.44.050(a)).

Essential Firefighting Functions

The medical requirements in this standard are based on in-depth consideration of essential firefighting functions. These essential functions are what firefighters are expected to perform at emergency incidents and are derived from the performance objective stated in NFPA 1001, Standard for Firefighter Professional Qualifications. Such essential functions are performed in and affected by the following environmental factors:

- Operate both as a member of a team and independently at incidents of uncertain duration.
- Spend extensive time outside exposed to the elements.
- Tolerate extreme fluctuations in temperature while performing duties. Must perform physically demanding work in hot (up to 400 degrees F), humid (up to 100%) atmospheres while wearing equipment that significantly impairs body-cooling mechanisms.
- Experience frequent transitions from hot to cold and from humid to dry atmospheres.
- Work in wet, icy, or muddy areas.
- Perform a variety of tasks on slippery, hazardous surfaces such as on rooftops of from ladders.
- Work in areas where sustaining traumatic or thermal injuries is possible.
- Face exposure to carcinogenic dusts such as asbestos, toxic substances such as hydrogen cyanide, acids, carbon monoxide, or organic solvents whether through inhalation or skin contact.
- Face exposure to infectious agents such as Hepatitis B or HIV.

- Wear personal protective equipment that weighs approximately fifty (50) pounds while performing firefighting tasks.
- Perform physically demanding work while wearing positive pressure breathing equipment with 1.5 inches of wear column resistance to exhalation at a flow of forty (40) liters per minute.
- Perform complex tasks during life-threatening emergencies.
- Work for long periods of time, requiring sustain physical activity and intense concentration.
- Face life or death decisions during emergency conditions.
- Be exposed to grotesque sights and smells associated with major trauma and burn victims.
- Make rapid transitions from rest to near maximal exertion without warm-up periods.
- Operate in environments of high noise, poor visibility, limited mobility, at height, and in enclosed or confined spaces.
- Use manual and power tools in the performance of duties.
- Rely on senses of sight, hearing, smell, and touch to help determine the nature of the emergency, maintain personal safety, and make critical decisions in a confusing, chaotic, and potentially life-threatening environment throughout the duration of the operation.

Training and Education

- High school diploma or equivalent.
- No prior firefighting experience necessary, but is preferred.
 - Must become Firefighter II certified, or be enrolled in a course within two (2) years of employment. The City of Lovington will provide this training at no cost to the employee upon the condition that the employee remain employed by the City of Lovington Fire Department for a period of two (2) years from date of certification. Failure to become certified as a Firefighter II will result in termination and repayment of all costs encumbered by the City for this training.
- No prior EMS experience, but prefer New Mexico licensure at the EMT-B, EMT-I, or Paramedic level.
 - Must become a licensed EMT-B with the State of New Mexico or be enrolled in an EMT-B course, which is approved by the State of New Mexico within the first six (6) months of employment. Within two (2) years of employment, the employee must become a licensed EMT-I with the State of New Mexico or be enrolled in an EMT-I course, which is approved by the State of New Mexico within two (2) years of employment. The City of Lovington will provide this training at no cost to the employee on the first attempt. If the employee fails the course or fails to obtain licensure as an EMT-B or EMT-I in the State of New Mexico, the employee will pay for all other attempts. Failure to meet these requirements can result in termination.
 - Licensure at the Paramedic level is optional, but preferred. The City of Lovington will provide this training at no cost to the employee with the condition that the employee remain employed by the City of Lovington Fire Department for a period of three (3) years from date of New Mexico licensure. Any Paramedic course paid for by the City of Lovington is required to be approved

by the State of New Mexico. Failure of the course or failure to become licensed in the State of New Mexico will result in repayment of all costs encumbered by the City for this training.

- Must possess and maintain a valid New Mexico driver's license.
- Must be insurable.
- Must be proficient in reading, writing, and speaking English, grammar, and basic arithmetic.
- Possess knowledge of word processing and data entry software. (Word, Excel)

Identification of General Aptitudes and Physical Requirements

The Americans with Disabilities Act requires that we identify the general aptitudes and physical requirements needed to perform the job listed above. Individuals who have the position must be able to perform all essential job functions unaided or with reasonable accommodation.

I. Mental Abilities: General learning ability. The ability to "catch on" or understand instructions and underlying principles.

- Ability to understand and follow oral instruction
- Ability to understand and follow written instruction
- Ability to guide and/or give instructions
- Ability to make decisions in accordance with established procedures and policies
- Not essential to job function

II. Verbal Abilities: Ability to understand meanings of words and ideas associated with them and to use them effectively. To comprehend language, to understand relationships between words, and to understand meanings of whole sentences and paragraphs. To present information or ideas clearly.

1. Speaking and Talking:

- Answering telephone, radio, or switchboard
- Communicating with officials
- Communicating with general public
- Communicating with vendors
- Communicating with supervisors and/or with other employees
- Communicating with others
- _____
- Not essential to job function

2. Hearing/Listening:

- For communication with officials, public, vendors, supervisors and/or other employees
- Not essential to job function

3. Reading: (ability to read and understand text)

- Essential to job function
- Not essential to job function

III. Numerical: Ability to perform arithmetic operations quickly and accurately.

- Ability to mentally perform accurate two digit calculations
- Ability to perform accurate calculations aided by a calculator, adding machine, or measurement device

IV. Spatial Abilities: Ability to comprehend forms in space and understand relationships of plane and solid objects. May be used in such tasks as blue print reading and in solving geometry problems. Frequently described as the ability to “visualize” objects of two or three dimensions, or to think visually of geometric forms.

- Essential function
- Not essential function

V. Motor Coordination: Ability to coordinate eyes and hands or fingers rapidly and accurately in making precise movements with speed. Ability to make a movement response accurately and quickly.

1. Manual Dexterity: Ability to move the hands easily and skillfully. To work with the hands in placing and turning motions.
